

## California's Greatest Industry

The sensational developments of recent months have shown that the California oil industry is far more wonderful and far more profitable than even the most enthusiastic had dared to imagine.

There has never been anything like California oil in all the growth and history of the nation for making tremendous profits on small investments, and it is difficult if there ever will be again.

We strongly urge the immediate purchase of stock of the Ventura Oil Development Company, which controls one square mile of oil land in the very heart of the Ventura oil district, with two wells already in oil sand, thereby assuring a success to this great enterprise.

We are offering you these shares at fifteen cents each, thereby giving you an opportunity to join this undertaking, whose immense resources can hardly be estimated at this time.

Make your investment now, while the price is still within reach.

## CANE MILL FOR NEGROS HANGS FIRE

HONOLULU, May 21.—Representatives of the Honolulu Iron Works and the sugar planters of San Carlos, Occidental Negros, who have been negotiating for some time for an establishment of a sugar central at San Carlos, have disagreed as to the conditions under which the central is to be established, and the negotiations are at a standstill.

The Hawaiian capitalists proposed to install a mill and the necessary railroad, mill the cane and prepare it for market, taking forty-five per cent. of the product.

The hacendados rejected this proposal, offering a substitute plan which provided that the planter should receive seven tons of sugar for each hundred tons of cane delivered at the mill.

## ILL HEALTH CAME WITH EACH SPRING TIME

THIS OREGON WOMAN'S SUFFERING CAUSED BY THIN BLOOD.

Under Tonic Treatment Her Appetite Was Restored and Every Symptom of Her Trouble Disappeared as Her Blood Was Built Up.

Weak, pale, nervous, ambitious people have their most trying time in the spring and early summer when the effect of the shut-up, inactive life of the past winter shows itself. To be strong, active, energetic, hungry may seem impossible to the sufferer with thin, sluggish blood, but it is not as the following case shows:

Mrs. L. H. Lischer, whose husband is a doctor, of Dayton, Ore., has found Dr. Williams' Pink Pills to have so much merit that she gives them hearty praise.

"About fifteen years ago my blood became thin and I was generally run down owing to weakness common to my sex. My heart bothered me, my stomach was weak and I had no appetite. I was subject to dizziness and headaches and felt tired and without ambition. I was nervous and could not sleep well. This was my condition every spring as the confinement indoors during the winter seemed to impoverish my blood.

"The doctors said that I needed something to build me up but they never seemed to help me. It was not until I tried Dr. Williams' Pink Pills that I found a medicine adapted to my case. The pills helped me in a few days. My appetite picked up and I grew stronger. By the time I had taken six boxes my blood was in good condition and I was cured.

"I take Dr. Williams' Pink Pills every spring and am in good health as a result. I have taken the pills after childbirth and I have found nothing better to strengthen me. They are good for the young mother and child. I can hardly find words to express my gratitude for being restored to good health.

"Your valuable booklet, 'Plain Talks to Women,' will be sent free to any suffering woman upon request.

Dr. Williams' Pink Pills are highly recommended for anemia, chlorosis, delayed development, after-effects of childbirth and leucorrhea.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.
